CREATIVE SOLUTIONS, LLC™

2620 North Australian Avenue Suite 109
West Palm Beach, Florida 33407

Dear Community Stakeholder,

According to fitbusiness.com 15 million Americans are self-employed. It is estimated this number will grow to 27 million by the end 2020. The Inspiration Station Creative Solutions, LLC. has been incorporated as a community hub to host local entrepreneurs at our location.

The Visionary, Shandra Stringer, understands the importance of operating in a growth environment. Celebrating her 13th year in the for-profit sector and some 20 years in the non-profit sector, Ms. Stringer is passionate about creating space for those needing a commercial setting for their business operations.

The Inspiration Station is a five-space office setting that will house opportunities for different sectors of businesses.

Specific stations will consist of:

- ❖ Media Station: Facebook & Instagram Lives, Blog Recording, Photo Sessions, On-line training, and more.
- ❖ Community Station: General office use with Internet access.
- ❖ Communication Station: Virtual Office Assistants on duty for Data Entry, Scheduling, Customer Follow-up, Email Management, and more.
- ❖ Training Station: Intimate Training or Meeting Room with AV amenities.
- ❖ Catering Station: Culinary Professionals for multiple purposes
- ❖ Mail Station: Copying, Faxing, Notary, Printing, and Commercial Mailing.

We invite you to participate in this Capital Initiative to make this dream a reality. Your investment in this project would not only be a Grassroots effort, but would allow others to witness the possibilities of what Community Stakeholders could accomplish together.

A list of Sponsorship Opportunities is attached. The structure of this business is for-profit; therefore, the Sponsorship Opportunity is not tax-deductible. However, if you are a business this would be considered a Marketing expense.

Thank you in advance for sowing a seed that will produce a harvest not only in this season, but in many more seasons to come.

Humbly submitted,

Shandra Stringer
